2. The data, as noted above, has been reviewed to assess and improve the effectiveness of the Department’s sexual abuse prevention, detection, and response policies, practices, and training. This review included the following:

- A. Identification of problem areas—**No problem areas were identified in 2022.**
- B. Any corrective action taken for each facility and the Department as a whole—**No corrective action was taken in 2022.**
- C. Comparison of current data to data collected in previous years—**this is the 11th year of compiling this report as part of the PREA Standards. Our data indicates the following:**

2012—two reported incidents
 2013—three reported incidents
 2014—two reported incidents
 2015—two reported incidents
 2016—two reported incidents
 2017—five reported incidents
 2018—zero reported incidents

2019—zero reported incidents
 2020—three reported incidents
 2021—three reported incidents
 2022—three reported incidents

D. An assessment of the Department's progress in addressing sexual abuse—**All four of our community corrections facilities have completed at least three certified PREA Audits and were found to be in full compliance. The overall progress of the District in meeting the PREA standards continues to be excellent.**
