2. The data, as noted above, has been reviewed to assess and improve the effectiveness of the Department's sexual abuse prevention, detection, and response policies, practices, and training. This review included the following:

A. Identification of problem areas—**No problem areas were identified in 2017.**

B. Any corrective action taken for each facility and the Department as a whole—**No corrective action was taken in 2017.**

C. Comparison of current data to data collected in previous years—**this is the sixth year of compiling this report as part of the PREA Standards. Our data indicates the following:**

- **2012—two reported incidents**
- **2013—three reported incidents**
- **2014—two reported incidents**
- **2015—two reported incidents**
- **2016—two reported incidents**
- **2017—five reported incidents**

D. An assessment of the Department's progress in addressing sexual abuse—**All four of our community corrections facilities have completed certified PREA Audits and were found to be in full compliance. The overall progress of the District in meeting the PREA standards has been excellent.**
