2. The data, as noted above, has been reviewed to assess and improve the effectiveness of the Department's sexual abuse prevention, detection, and response policies, practices, and training. This review included the following:
 - A. Identification of problem areas—**no problem areas were identified.**
 - B. Any corrective action taken for each facility and the Department as a whole—**all staff were required to complete 3 hours of PREA Training in Fiscal Year 2013. PREA informational posters were placed in each facility in Calendar Year 2013.**
 - C. Comparison of current data to data collected in previous years—**No comparison was made, as this is the first year of compiling this report as part of the PREA Standards.**
 - D. An assessment of the Department's progress in addressing sexual abuse—**The Department has changed numerous policies and conducted staff training in order to be compliant with the PREA Standards, increase awareness among staff, and increase safety for the offenders.**
